

Take notice that the Council of The Corporation of the City of Owen Sound has received an application for a Zoning By-law Amendment, being an application to amend Comprehensive Zoning By-law 2010-078, as amended pursuant to Section 34 of the *Planning Act*, R.S.O. 1990, c. P.13, as amended (the "Planning Act") for lands located at the eastern end of 10th Avenue East. This application is deemed to be a complete submission under Section 34(10.4) of the Planning Act.

Take notice that the Council of The Corporation of the City of Owen Sound will hold a public meeting to consider Zoning By-law Amendment No. 53 on July 8, 2024 at 5:30 p.m., in the Council Chambers of the City of Owen Sound, in accordance with Section 34 of the Planning Act.

Property Description:

The subject lands are legally described as RANGE 9 EGR PT PARK LOT 7 (RP 16R8804 PT PART 1). The lands are located at the eastern end of 10th Avenue East and are shown more particularly on the Key Map below.

Purpose and Effect:

The purpose of the application is to permit an 85-unit residential development consisting of 22 cluster townhouse dwellings and two (2) apartment buildings; one (1), three-and-a-half storey building containing 29 units and one (1) four-storey building containing 34 units, for a total of 63 apartment dwellings. As part of the development, 10th Avenue East is proposed to terminate in a cul-de-sac bulb in its current location and the development would front onto a private road network approximately 7.0 m in width.

The lands are currently zoned 'Medium Density Residential' (R4), with a Special Provision 14.76 and 'Hazard Lands' (ZH) by the City's Zoning By-law (2010-078, as amended). Townhouses are among the uses permitted in the R4 Zone. Special Provision 14.76 permits and provides site and building regulations for a School.

The effect of the application is to rezone the lands to permit Apartment buildings. The existing site-specific zoning provisions (14.76) that permit and provide site and building regulations for a School are proposed to be removed and replaced with site-specific site and building regulations required to facilitate the development including, among other matters, provisions for a maximum building height of 13.5 m for Apartments.
