## Gallery Etiquette

Photography for personal use is allowed in the exhibition spaces. Please be mindful of your surroundings while capturing images around fragile artworks.

Lighting in the exhibition spaces is activated by motion sensors to conserve energy and protect artwork. Please enter and the lights will activate.

Help us to preserve the artworks on display by not touching them. Keep a safe distance between you and the artwork and please do not run in the exhibition spaces.

Food and drinks are not permitted in the exhibition spaces. Please leave these items with the front desk attendant.

For the protection of visitors, staff, and artwork, the Gallery is monitored by video surveillance.

Backpacks and oversized bags are not permitted in the exhibition spaces. Please leave these items with the front desk attendant.
